MANDAVA INSTITUTE OF ENGINEERING & TECHNOLOGY,

Sub: Sanction of project titled "Graphical Authentication Password System" –

Reg.

Sir,

I am happy to inform that your project "Graphical Authentication Password System" related work to technical consultancy been approved for the execution. The company "Promize IT Services Ltd.," sanctioned Rs 32,000/- for the completion of the project. The amount will be sanctioned at time of starting the work. The work has to be executed at the earliest after acceptance has been done.

The project has to be completed within the stipulated time and delay in the project duration is not entertained.

The amount released can be spent according to the need on the approved heads/items within the approved allocation for the respective heads/items. You are required to submit final project report to the principal's office in the prescribed proforma (Form-F) within two months from the date of Completion. The report must be detailed and should include information about (a) the original objective(s) of the project, (b) how far these objective(s) have been achieved, and (c) how the results have benefited the college/society's technological development or enriched the existing knowledge on the subject.

All the Best
