

E-GOVERNANCE REPORT FOR AY 2019-20

Mandava Institute of Engineering and Technology appreciates the fact that, E-Governance means governance with information Technology, and that the increasing demand for transparency in administration, faster information transfer, and other demands can be fulfilled by E-Governance.

The college is implementing e-governance to enhance good governances; which is generally characterized by participation, transparency, and accountability, to provide better service in terms of time, making governance more efficient, and more effective, to lower the transaction costs, and make services more accessible.

Many initiatives have been taken by the college towards E-Governance, some of which in the area of general administration are:

1. Communication with JNTUK, members of Governing Body and Academic Council, through E-mail and text messaging service.
2. All important notices to students, staff on administration matters are published on college website, and messaged through whatsapp groups.
3. Biometric attendance for staff, PG students
4. WiFi facility in the campus.
5. Use of following platforms:

Google Form: For data collection from departments/students and for online feedback from students

6. College is equipped with CCTC cameras at strategic points all around the campus
7. Whats App groups are used for connecting with and eliciting information from students, faculty/staff.
8. SMS messenger service is used for communication with parents regarding students progress and other information.

In the areas of operations involving more complex systems, and procedures, sophisticated software tools are used. The details of specific area of e-governance using software tools are as follows:

Areas of e governance	Software Tool used and year of implementation	Vendor
Administration	Adhikrit Software	AspironTevchnologies
Examination	Adhikrit Software	AspironTevchnologies
Accounts	Adhikrit Software	AspironTevchnologies
Library	Adhikrit Software	AspironTevchnologies
Establishment Section	Adhikrit Software	AspironTevchnologies
